

Overview

Easton Bevens are offering an excellent opportunity for a graduate building surveyor to join an expanding company in our Manchester office, that offers first class training and the chance to progress.

The successful candidate can expect practical experience through a wide range of building surveying services in both the domestic and commercial sectors.

This position will suit candidates with an RICS accredited degree in Building Surveying (Postgraduate or Undergraduate). Six months industry experience is preferred but not essential.

Main Responsibilities

- Assisting with and undertaking a variety of surveys (Measured, Major Defects, Full Building etc.)
- Defect diagnosis
- Preparing and submitting applications to Local Authorities
- Drafting professional reports
- Producing AutoCAD drawings
- On-site Contract Administration works
- Assisting with instructions under the Party Wall etc. Act
- Dilapidations

Personal Attributes

Our employees are talented people, with a willingness to embrace working within a team environment and have a passion for client service. You will be able to demonstrate a similar supportive, flexible and driven ethos and will possess the following experience and skills:

- Aspiring to achieve MRICS status
- Confident, practical and good interpersonal/communication skills
- Proficient in desktop publishing (Word, Excel, etc.)
- Familiarity with AutoCAD
- Motivated, ambitious and reliable
- Ability to work well with others and independently
- 6 months industry experience preferred
- UK driving license required

Regulated by RICS
